FORUM VALUES

Integrity drives us to deliver what we've promised. Integrity means being honest. It also means that we acknowledge if we've made a mistake. We take ownership for mistakes rather than blaming or hiding. Integrity includes being transparent and open about what we can do and what we can't do. Integrity means that we choose not to provide a short-term fix or to put a band aid when a major organizational intervention is needed.

INTEGRITY

Conversations are a core business process. It takes skill to have useful relationships. Useful relationships increase clarity. And they also increase regard for the other person in relationship. Sometimes this involves asking the right question. Other times it involves making a new connection. It always involves listening well.

RELATIONSHIPS

We believe that everyone has the ability to change and grow. Today you may be STUCK in a rut. Tomorrow you can be UNSTUCK.

Leaders have the responsibility for creating a culture of authenticity and vulnerability so that people in the organization can get unstuck. This starts with being open and honest and say, "I don't know", "I need help" and "My mistake" which are all part of the growth journey.

PEOPLE'S GROWTH

We recognize the importance of balance in life, including mental health and caring for the whole person. We promote growth in all areas of life- professional, personal and spiritual.

The more integrated we are as human beings, the better we can be at collaborating with and leading other human beings at work.

FULLY THRIVING

FORUM HISTORY

2025

The 6th Leadership Forum in April, 2025 explored how people and organizations can flourish amid rapid advances in artificial intelligence. Speakers and panelists included Bujar Bakiu, Ermal Sadiku, Diana Xhumari, Franceska Korance, Ivana Karalieva-Petreska, Ville Korpela, Aida Velaj, and Kristina Awwad. The forum also honored the legacy of Gerti Bogdani with the Forum Leadership award given to Daniel Bundo.

2024

In April, 2024, Chris Allen, Founder of Always About People, delivered the keynote on “Building Thriving Human Cultures.”

Other speakers included Grant Van Cleve, Roden Pajaj, Flutura Veipi, Gerti Boshnjaku, Nikica Mojsoska-Blazevski, and Aneida Bajraktari.

2023

Leading up to the 3rd Leadership Forum on Integrity, Eni Xheko shared her vision. “People who are leading with integrity need to know that they are not alone.” The forum community signed a manifesto that included the statement, “We seek to treat others the way we want to be treated.”

Other speakers in 2023 included Mark Crawford, Brunilda Isaj, Paul Lofquist, Gerti Bogdani, and Edlira Cepani.

2022

At the 2nd Leadership Forum on the topic “Trust Matters”, Psychologist Dr. Elona Prroj gave the keynote talk telling us the story of when she did the unthinkable –she forgave the man who murdered her husband. She recalled what she had recently told her daughter: “I want to invite you to forgive the man who murdered our father just as God has forgiven you.” This forum included panelists and presenters such as Daniel Crawford Irida Bonati, and Gerion Treska.

2021

Starting in 2021, we invited leaders to the Lincoln Center courtyard (ish-Vila e Enverit) in groups of up to 8 to discuss how to lead in crisis. Calvin Tiessen remarked after one such session, “Josh, there is a hunger among leaders to have real, honest conversations.” At another gathering, Adrian Shehu, CEO of TCN, asked us to gather leaders for a forum, and Flutura Veipi quickly got behind the idea. Both Union Bank and TCN began sponsorship, which has continued to this day.
