

FLOURISHING IN AN AI ERA

6TH LEADERSHIP FORUM
APRIL 24, 2025

EXECUTIVE SUMMARY

The 6th Leadership Forum brought together leaders from banking, IT, Fintech, real estate, public administration, and other sectors to explore how people and organizations can thrive amid rapid advances in artificial intelligence. With panels of experts and participant discussions, the Forum emphasized the importance of human flourishing in an AI-driven world.

WELCOMING NEW GUESTS

OPENED WITH OUR VALUES

FORUM VALUE: FULLY THRIVING

We promote growth in all areas of life- professional, personal and spiritual.

The more integrated we are as human beings, the better we can be at collaborating with and leading other human beings at work.

LEGACY REFLECTION & DISCUSSION

NEXT STEPS

ADRIAN SHEHU
CEO, TCN

AN INVITATION TO KOSOVO

ANITA KOSUMI
Chief HR Officer, Viva Fresh Store

RECOMMENDATIONS

1. Use AI. Learn about AI. Challenge AI.
2. Success in the AI Era is still about people.
3. Identify and remove obstacles to growth.
4. Equip yourself & your organization to adjust to AI Era challenges and realities.

MORE ABOUT THE FOURM
